

PRIVACY POLICY OF THE SONOR APPLICATION

Last updated: 25.05.2026

1. General Information

This Privacy Policy sets out the rules for the processing of personal data of users of the Sonor application (hereinafter: the "Application") in accordance with:

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (GDPR),
- the Act of 10 May 2018 on the protection of personal data,
- and other generally applicable provisions of law.

Using the Application implies acceptance of this Privacy Policy.

2. Personal Data Administrator

The Personal Data Administrator within the meaning of Art. 4 point 7 of the GDPR is:

- Grzegorz Adamczyk
- ul. Na Równi 72
- 34-400, Nowy Targ
- Poland
- E-mail address: sonor.app.studio@gmail.com

The Administrator is a natural person creating software as an independent developer.

3. Data Protection Officer (DPO)

The Administrator has not appointed a Data Protection Officer, as he is not obliged to do so under Art. 37 of the GDPR. All matters related to personal data protection should be directed directly to the Data Administrator.

4. Scope of processed personal data

Due to the nature of the Application, the Administrator minimizes data collection. Only the following information is processed:

- User account data: e-mail address, account creation date, encrypted password (hash), avatar (in case of Google login), account tier (e.g., premium or free), and marketing consents.

IMPORTANT - LOCAL PROCESSING (AI): The Sonor application utilizes artificial intelligence models (including Whisper and Gemma models) for speech-to-text conversion and text analysis. The entire voice and text processing procedure takes place exclusively locally on the user's device. The Administrator does not collect, store, or send to external servers any voice, audio, or transcription data created by the user.

5. Purposes and legal grounds for data processing (Art. 6 GDPR)

Personal data is processed for the following purposes:

- establishing and managing a user account, including verifying account status based on Art. 6(1)(b) of the GDPR (performance of a contract),
- handling inquiries and technical support - based on Art. 6(1)(f) of the GDPR (legitimate interest of the Administrator),
- sending marketing information (including news, upcoming changes, and updates) - based on Art. 6(1)(a) of the GDPR (user's consent),
- fulfillment of the Administrator's legal obligations - based on Art. 6(1)(c) of the GDPR.

6. Recipients of personal data

Personal data in the form of an e-mail address and an encrypted password are entrusted to the database and authentication infrastructure provider: Supabase Inc. The Administrator does not sell users' personal data.

7. Transfer of data outside the EU/EEA

In connection with the use of Supabase services, personal data may be transferred to third countries (e.g., to the United States). Data transfer takes place on the basis of standard contractual clauses approved by the European Commission and other mechanisms compliant with Chapter V of the GDPR.

8. Data retention period

User account data is stored for the duration of the account, and after its deletion for a maximum of 90 days, for the purpose of technical handling of the deletion procedure.

9. Rights of data subjects

The user has the right to access data (Art. 15 GDPR), rectify data (Art. 16 GDPR), delete data (Art. 17 GDPR), restrict processing (Art. 18 GDPR), transfer data (Art. 20 GDPR), object (Art. 21 GDPR) and lodge a complaint with the President of the Personal Data Protection Office. The Administrator responds to requests within up to 30 days.

10. Cookies and tracking

As a native application for macOS, Sonor does not use cookies in the sense of browser technologies or external analytical (tracking) tools.

11. Automated decision making and AI

Despite the use of solutions based on artificial intelligence (AI) within the Application, the Administrator does not make decisions that produce legal effects concerning the user solely by automated means, and the AI models themselves operate on the user's device without the Administrator's access to these processes.

12. Data security

The Administrator applies appropriate technical and organizational measures ensuring the protection of personal data, including encryption (password hashing).

13. Changes to the Privacy Policy

The Administrator reserves the right to change this Privacy Policy. Users will be informed about significant changes via e-mail.

14. Contact

In matters related to personal data protection, please contact the Administrator at the e-mail address: sonor.app.studio@gmail.com
